Mr. Joe Mingin,
Box 264,
Lakehurst, N. J.

Dear Sir:

It is necessary for me to make a trip to Trenton, N. J. next week, and I think it might be a good idea to stop by Lakehurst on my way there or back and see the place of which you speak. It will also afford an opportunity to discuss details with you.

Kindly let me know what day would be best for you and just where and when I would meet you.

Very truly yours,
